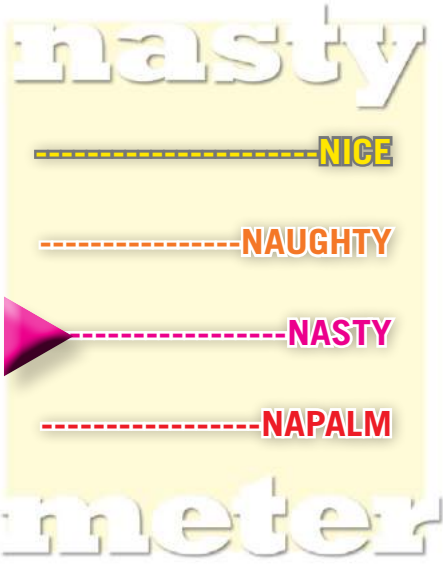
my butt's the bomb! nadia



I like baking cookies, grilling burgers, putting mini-marshmallows on my hot chocolate, argyle socks, changing my nephew's diaper, painting my toenails pink and updating my Facebook status every day. I also like to suck a big cock, finger-fuck my pussy, tie down my partner on the bed and get my ass fucked.

If you've never experienced me before, you're in for a real treat. I'm deliciously bad and I love to be tasted. I want you to part my pussy lips and put your warm wet tongue on my clit. Then I want you to slowly push it into my pussy. Then I want you to close your lips around it and suck it hard until I cum. I want you to do the things my ex-husband couldn't do. Can you do that for me. I'd show you how appreciative I can be.

I want my ex to see these pictures to remind him of what he's missing. After he confessed cheating on me, he got on his knees and begged me to come back. I dropped my pants and mooned him and told him he'll never see this ass again. Well I was wrong. As soon as this pictorial comes out, I'm going to send copies to him and all of his dude buddies. I hope they choke their chickens over me.

Hi Jimmy, I hope you like what you see ‘cause you ain’t getting it. Remember when you asked me to get your name tattooed on my tummy? Well I did one better, I had my pussy lips pierced and it feels so good. All my new sex partners really get turned on by it. Sorry baby, I don’t want to rub it in your face. Literally, I won’t be rubbing it in your face anymore!

brings a lot of comfort and joy

I love fucking my husband Troy and he loves to fuck me. The only hardcore scenes we do, we do together. One of the best things about that is we are quite adventurous. I'm comfortable doing anything with him and for him. Our passion grows every time we fuck, and we love to fuck a lot. Another great perk of this is that we spend a lot of time together and make money doing it. What could be better? You tell me.

MY OFFICE ROMANCE

I had an experience last week that I just have to share with your readers. It's not for the sexiness of the story, b ut to show what could happen if your husband doen't pay attention to you.

My name is Cassie and I run a large beauty supply store. Lindsey is my office assistant. We had been carrying on an affair at the office for over a year and this was the only place we could meet without our husbands finding us out. Fortunately, the fact that we would often stay past business hours when things got hectic made us appear dedicated.

I couldn't help but be attracted to her long smooth hair and hauntingly beautiful blue eyes. She often wore fitted blouses that accentuated her breasts and slim waist. I was smitten the moment I saw her. I was also pleasantly surprised when she started flirting with me. Eventually, fate and mounds of work threw us together late one evening and we ended up in each other's arms and that made staying late worthwhile.

After hours, after I closed down the store, we would head to supply storage – which was actually a storage place for all the inventory and from where we shipped to outside customers. The two of us had been utilizing it for our late night trysts. The room was complete with all sorts of beauty supplies, but we only used the shipping table. It was a little higher than most atbles because people would stand at it to ship out parcels.

I arrived first and Lindsey followed a minute later. I instructed her to come in and close the door. It had been a long day and I know we were both looking forward to this. Lindsey enjoyed being the aggressor, but I loved to reverse the roles partway through and make her more subservient. I could see what looked to be a few scarves hanging on hooks in the employees area. I can't wait to see what she does with those, I thought to myself. I slowly stripped, allowing her to enjoy the sight before I climbed on the table. The room was pretty cool and I could feel my nipples harden from the chill and the anticipation of the moment. I laid my coat on the cold table and settled back watching her. Lindsey pulled the scarves off the hooks as she walked over to me. She bound my wrists together with the first scarf above my head before pushing my knees up and putting my feet out to the edges of the table. She then secured my feet to them with the other scarves. She saw I was already wet with anticipation.

Lindsey then traced my opening with her hand before putting her glistening finger to her mouth. I heard the sound of the table's steel framework creaking as I wiggled and moved my body to her touch. Her hands ran the length my thighs as she lowered her head to my pussy. She moved her mouth over my clit, gently biting and sucking it. She licked my juices from her lips as she stood up. I watched her remove her clothes, leaving them in a heap on the cold tile floor. She crawled on top of me and began to play with my breasts. Her hands squeezed and tugged them roughly before her mouth enveloped my nipple while she continued to knead my other breast with her hand.

She lowered her body onto mine and moved down closer to me and began to move her hips between my legs, grinding her clit into mine. I felt my body begin to shudder from the beginnings of a climax, but she pulled herself away

Nasty is Cool:

All the girls in your last issue of ***Nasty Housewives*** *were pretty cool. It was a good variety of women and the sex they were having. I like men's magazines a lot because you can see all sorts of chicks naked where you can't in real life. But my fave was Britney because I have this thing for short blonde hair. And, fuck, she took it in the ass! Way cool!*

from me. Bending over, she reached for something beside the table. When I saw what she had, excitement swelled up deeper inside me. She had fastened a dildo in a harness onto herself and I couldn't wait for her to unleash it on me. I felt her finger slide inside of me to collect some of my juices before rubbing the glistening liquid on the shaft of the dildo. My mouth and pussy watered with anticipation. Lindsey stuck the tip just inside of my hot pussy before pulling back out. Then she pushed it inside of me, slightly further than before, only to pull it out and do it again and again. We had never used a toy such as this before and it was driving me wild.

As I was drifting away, she suddenly got up on the table and straddled my hips before waving the strap on in front of my face. She traced the outline of my lips with the latex head as I licked it with my tongue. My lips parted and I took the length of the shaft into my mouth. She shoved it in and out of my lips while the other end pressed into her clit. I could see her wetness coating her thighs as she pounded my face. I grabbed the dildo and pushed it up so I could get at her sweet pussy right in front of me. I worked closer to it and found her pussy lips with the tip of my tongue and slowly parted them. It seemed as if she was freshly shaven in anticipation of this evening and that made me hotter. When my tongue reached her clit she backed off me and said 'Not now.'

She slid off of me and stood on the floor with her hips level to mine. She began to tease my pussy again with the head of the dildo. My feet pulled at the scarves restraining them. I wanted desperately to be free and wrap my legs around her waist and force her into me. I needed her to fuck me, hard and fast, the way I liked it. When I thought I could stand it no longer, she slowly moved into me. It was agonizing the way she would go in and pull all the way out before going further back inside. I looked up to see the pleased expression on her face. She was enjoying fucking me with pleasure, but her own need for satisfaction soon overtook her and she started to work my body much faster. The dildo glided in and out of me, going deeper and deeper into my pussy. She stuck her middle finger into the sex and lubricated it. With her other hand, she lifted my hips and found my butt hole with her wet finger and slowly pushed it in, pushing me closer and closer to climax. But I wasn't ready yet, I wanted to feel both my holes filled with her, even if one was filled with plastic. I pulled her face down to me and whispered to her to stick her tongue into my mouth. She obliged and forced it into me deep into the back of my mouth. Now I savored all three holes

filled as I exploded into a monster orgasm. Every muscle in me pulled

taut as they were flooded by the orgasm that shook me. I felt my juices coating the dildo and flowing down my thighs as I lay on the shipping table.

Just then the door opened and the cleaning lady walks in and turns the light on to see me spread-eagled on the table and Lindsey wiping off the dildo. Her eyes adjusted faster than mine as she looks over to the lady and tells her firmly to put her stuff down and come over here. She does so and Lindsey tells her to get on her knees at the foot of the table. She pushes her head into my pussy and I feel a soft tongue licking me again. I just closed my eyes.

All in Harmony

I thought the pictures of Harmony getting stuffed by two guys were really hot. I've had a couple three ways before, and they were okay while they were happening, but afterwards, the consequences were a learning experience. Don't invite any guy whose cock is bigger than mine, and don't do it in your own bed. Other than that, it was fun and I look forward to doing it again.

– Oscar, Detroit

Asians Rule!

I love petite Asian women, so I want to thank you printing a great set of photos of Tina Tokyo in your last issue. The has a sexiness that isn't often as overt in Asian women as it is with her. I've been fortunate enough to date several Asians from Japan as well as Japanese-Americans, and they have all been marvelous creatures. I don't know if it's their upbringing or their DNA. But back to Tina. She has a great plump ass and it makes me want to lick it for her. Which I would gladly do, even if some other guy's cock was in her pussy. All she has to do is ask.

To the Editors,

Several weeks ago I started banging this hot chick at the office. She's about 26 and I'm 35. She said she liked 'older' men and I fit the bill. Well, we made it a few times after work and even once on our lunch hour, but I gotta tell you about the first time we took off together. Friday morning we jumped on a plane to South Beach with the excitement of six days of nothing but beach and sex before going back to work.

So we get there and cab it to the hotel where she immediately jumps my bones. We don't even unpack as they day slipped away with me inside her for most of it. I promised her that we'd go out to a nice restaurant for dinner that night and as we were getting ready, she's showering and slips in the tub. I hear her scream from the bathroom and rush in to see her sitting in the tub holding her ankle. I helped her out of the tub and over to the bed. She sat on the bed and I sat next to her consoling her and rubbing her leg. She was really apologetic about ruining the evening, but I told her not to worry, we still had Saturday night if her twisted ankle felt better. I sat there thinking this was a bummer.

We turned the TV while we waited for room service to deliver. We ate and I was starting to get horny again. I took her plate away and started to rub her hurt ankle carefully. I started to move my hand up her leg to her thighs and then to her naked pussy under the sheets. At first she pushed me away gently but firmly. "You must be really horny if you want to mess around with me in this condition." she said. I pulled the covers off me to show her my erection. I slipped my hand under her t-shirt trying to squeeze her nipple. "Baby, my leg hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. So after that night she spent the next two days on the balcony looking and whining about the beach. Every time I tried to get close to her, she always complained about her ankle and I went away frustrated. Finally, I think I got to her because she agreed to a blow job that Sunday night. She gave me a quick bj and after a few slurps and licks I explode in her mouth because I was so was so pent up from no sex.

Now it's the fourth day of our vacation, only two days left, and I'm really desperate to fuck. Her leg was still sore so rather than mope, I ordered a nice bottle of wine and we sat on the balcony drinking it. After polishing it off, and a couple more we had ordered, she said her leg was feeling better and got up pulling me to the bedroom. She took off her clothes and got into bed. I had to go to the bathroom to relieve myself and when I came out she was sleeping – naked on the bed. I looked at her and realized I was still horny as hell. I know I couldn't just go to sleep. So what did I do? I took some lotion from her cosmetic bag and spread some on her ass crack working it between her cheeks and slipped a finger inside her anus. After a moment I felt her open her legs a little, all the while gently snoring in her sleep. We had never had anal sex but she said she had tried it before with one of her previous boyfriends. As my finger slid in and out, her hips moved encouraging me to go deeper. I climbed over her on the bed, put some more lotion on my hard cock and gently slid it into her butt. I started slowly as not to wake her but it was hard to control myself.

After one especially deep thrust, she awakened, looked back at me and gave me a sleepy smile. "Baby, don't stop!" she said. She got up on all fours and laid her head down on her arms while I worked it some more as she reached between her legs and rubbed her clit into a screaming orgasm. Well as for me, I exploded my frustration deep in her butthole and collapsed on top of her and quickly fell asleep. For the remaining days we fucked and sucked every free minute. She said her leg was completely fine. I said that all's well that ends well. Well inside her ass, that is!

My new man won't let me fuck anyone else yet, but I'm working on it. When you're used to it and then get into a one-on-one, it can be hard to change. But I have a plan that he'll find hard to say no to. I'll introduce him to a friend.

Yes, you probably guessed it, it's one of my girlfriends. She's my secret weapon. She's hot and very sexy. I think I'll invite her over one night and get us all a little tipsy and then we'll both jump his bones. If he joins in and does the both of us, then he can't complain if I want to do someone else. Of course I'll tell him how much I love him and it's just sex but with us, it's more than that. If he can't deal with that, then I may have to find someone who can!

We think that dildos have changed the course of history. Women can have sex with a 'penis' and never have to worry about getting pregnent, but best of all, they can have that kind of sex with another woman! And yes, we do like having our pussies filled with 'cock' because just licking and sucking won't do it.

petra & kyanna

We think we're a liitle bit more free with our bodies when it cpomes to hacing sex with another woman. We know what we want and aren't embarrassed to tell each other. With guys we're a little more shy or we think they just don't get the female anatomy. To top it all off, women have nice gentle curves and soft skin. There's no stubble on their faces when we kiss, and we women just love to smell good. With 90% of men, they smell like men. And that's the problem, they smell like men! But, in the end, we still love them, too!

I've been lucky or cursed with a man with a small dick. After trying for years to make his cock larger, I learned a little trick or two. To make my pussy tighter, I learned to contract my vaginal muscles to 'grip' his cock tight. My other trick is to have him fuck my ass! Now he feels huge!

a double helping

She told me to close my gaping mouth and take off my clothes if I wanted to join them. I could barely get my boxers off, because my dick was at full force!

For the past five years, after graduating from The University of Miami, a group of friends and I would meet every year in Key West to celebrate our friend Sarah's birthday – and the Fourth of July. Every year we'd pick a different resort on the island with a pool and spa for the babes, and a great bar for us dudes since most of us liked to drink. Unfortunately, as the years passed, the number of people who came got smaller and smaller as everyone settled into jobs and families. This year it was only Sarah, Lysette and me. At first I was bummed because no other guys had come, but then I realized it would be just me with these two hot babes. I know Sarah had a guy she was seeing but he was a soldier and out of the country. Lysette was recently divorced from some Italian dude. I was always the player, but had settled down a little since getting a job in a national advertising agency.

They were already there when I arrived at the hotel. I found them in the bar, drinking and laughing. I expressed my satisfaction that it was only the three of us, but they seemed much more into themselves and their drinks. Sarah and Lysette decided to share a suite. I imagined them running around naked after a long day in the sun. They both have long dark hair and incredible bodies that look like honey against the white cotton towels. After hanging out during the day, we decided to shower up and grab a bite to eat at the restaurant. They told me to stop by their room and pick them up. I got ready and made my way over to their suite, which faced the pool. I got there to see the door had been left unlocked for me. I announced my presence a couple times before I heard a voice from inside the suite telling me to come in and close the door. I followed the sound, which led me to their bedroom expecting to see them sitting on the bed talking or putting make-up, but instead I got the surprise of my life. Sarah and Lysette were buck naked on the bed. Sarah was laying face down. Lysette was massaging her and it took me a moment to realize that she was also massaging her pussy. Sarah moaned as Lysette's fingers explored the folds of her perfectly waxed pussy. I watched for a few minutes before Sarah refocused on me and told me to come in.

She told me to close my gaping mouth and take off my clothes if I wanted to join them. I could barely get my boxers off, because my dick was at full force! I got onto the bed next to Lysette. She reached down and took hold of my rock hard dick and started to play with it. Sarah smiled back at Lysette and I thought to myself that these two had been planning this. Lysette leaned over and started to suck on my cock. It felt wonderful as her tongue swirled around the head of my penis. Sarah flipped over and pushed me back onto the bed. They took turns licking and sucking on my dick. Their tongues danced over my cock. Sarah cradled my balls in her hand and gently sucked and played with them. It was like nothing I had ever experienced. Pure heaven. Just the sight of two heads giving me head and seeing their lips touch each other. Very hot!

She looked at me and spread her pussy lips wide as an invitation to fuck her. It was one I could not refuse.

Lysette pried herself from my cock and straddled my face as I stuck my tongue into her moist pussy. Her juices were all over my face before she even got down. I licked her clit and sucked on her puffy pussy lips. I reached up and started massaging Lysette's perfect breasts and slippery hard nipples that responded immediately to my touch. I was caressing her nipples and eating her pussy as I felt Sarah mount my cock. She moaned as she slowly slid onto my rigid pole. She started to ride me and I felt Lysette's pussy start to contract and she pushed it harder into my face. Her juices continued to gush and I continued to lick faster and harder. I spread the chocolate lips to reveal her pink insides and that made me even hornier. Her clit was hard and getting bigger and bigger; I was loving it. With a few good licks and a finger massage of her pussy lips, Lysette's entire body shuddered and she cried out in pleasure. She turned around and moved off of my face lowering hers to Sarah's and I could see them kissing. Their pink, wet tongues danced in and out of each other's mouths.

I felt Sarah's pussy start to contract. She grabbed onto Lysette and rode me harder. Lysette massaged her breasts and kissed her neck as she trembled with orgasm. It was all too much for me to take and I shot my big wad into her pussy. Sarah cried out that she could feel my hot cum flowing into her. She rolled off of me and spread her legs so Lysette could go down there with her tongue and lick my cum out of Sarah's pussy. I knelt over the two girls watching them. My cock started getting harder as I watched and Sarah reached over and started stroking my cock. My cock was getting harder in her hand and she pulled it into her mouth and started licking me feverishly as Lysette was still licking pussy.

I could see Lysette checking out the cock sucking action and stopped licking Sarah's pussy. She looked at me and spread her pussy lips wide as an invitation to fuck her. It was one I could not refuse. Sarah pulled my cock out of her mouth and guided it into Lysette's pussy. Sarah got of bed for a moment and grabbed something from the night stand. I heard a muffled buzz as she turned on a little vibe. It was her Pocket Rocket and she put it on Lysette's clit. I could also feel the sensation vibrating my cock as I fucked her. I blurted out that it felt great and with that Sarah moved behind me and stuffed it between my ass cheeks. I was surprised and gave a big forward thrust into Lysette. She screamed a little as did I

After a few strokes I slipped it back into Lysette, and then back into Sarah's mouth. I could do this all day.

when I felt it back there. Sarah told me to relax and moved the buzz around my butthole. Damn, that felt good. I had never felt that before. She played around there for a few minutes and moved the vibe down between my legs just behind my balls. Man was I feeling it. She moved it back and forth between my anus and balls, changing the speed to drive me crazy. Satisfied with that, Sarah grabs a dildo she has handy and begins to tease my ass with it. I close my eyes, still fucking Lysette and let the new sensation sweep over me. She spreads a little lube around by hole and slowly pushes it in.

Wow, that felt good, I thought to myself, never thinking that my ass would ever be penetrated. And by a woman with a dildo. Damn! Sarah moves

around front holding the dildo in my ass with one hand and she pushes the buzzing vibe onto Lysette's clit. Immediately we both moan as the vibrations make the fucking more intense. Sarah moves her hips so her pussy is over Lysette's face, who begins to eat her like there's no dinner later. She still has one hand around my hips holding the dildo in my ass. I've become comfortable with it now and am letting the feeling melt together.

I take my cock out of Lysette's pussy and stuff it right into Sarah's waiting mouth. After a few strokes I slipped it back into Lysette, and then back into Sarah's mouth. I could do this all day. I started to stroke harder and faster into Lysette's pussy as she began to buck wildly. She pulled me into her as she came and pulls Sarah's pussy into her face. Sarah cums instantly and I see her love juice flowing into Lysette's mouth. She slurps and licks it all up. Then Sarah says to me that she wants me to cum in Lysette so she can lick it out of her pussy. I do just that and her pussy disappears under Sarah head.

I move up to Lysette's face and straddle it. Sarah moves her hips so I can get in there. Lysette grabs my cock and takes the head into her moist lips. She strokes the shaft wildly trying to coax more cum out of me. I was ready to spurt again and Lysette knew it by the way I was fucking her mouth. After a few more strokes and Lysette's hand massaging my balls, I blow another load onto her face. Sarah slides up Lysette's body and begins to lick her face, sharing a long, deep tongue kiss now and then. I step out of the bed to watch these beautiful mocha babes finish each other off one more time in a sweet sixty-nine. They both cum with soft murmured moans and I climb back in bed with them. Now it's 8 pm and we're beat.

Twelve hours later, still in deep sleep, I'm awakened by Lysette sucking on my cock. Sarah was already up and had grabbed her iPhone to shoot a video of it. She said it was just for her. Right! I came in Lysette's mouth and she took every drop. Sarah gave Lysette the iPhone and pulled my head down into her pussy which I happily ate until she came. Lysette said she missed some of it and wanted me to lick her again. Sarah said 'Oh yeah!" as I dove in for more. Then it was my turn to video the two of them getting it on. I directed them to kiss and didn't have to say another word. I propped the iPhone against a pillow and let it continue shooting. I jumped in between them and we did a three-way oral daisy-chain.

Then a knock on the door. "Room service."

reds give better head

If you ask me, I have to agree: redheads do give better head. And we give better pussy and best of all, we give better ass, if there is such a thing. I like to think of myself as a rare fish because I'm a redhead. We are only about 5% of the population but we have a 90% higher sex drive than everyone else. That is, I think so?
